Volunteering

Fundació Autònoma Solidària

Mission

Fundació Autònoma Solidària (FAS) is a non profit organization focused on promoting solidarity and social awareness within the university. In order to do so, we involve the whole university community, encouraging them to participate as volunteers and working together to guarantee equal opportunities

Fundació Autònoma Solidària

PIUNE. Disability Support Service

➔ **PIUNE offers:**

- ➔ **Mobility assessment:** adapted transport, support accompaniments, detection of architectural barriers.
- ➔ **Pedagogic counseling:** advice for students and teachers optimal detection of the needs of students, mentoring and monitoring individual.
- ➔ **Consulting technology:** we offer advice on technology resources to ensure access to information and communication, adaptations of academic material (alternative format, audio, Braille...).

➔ **Other services:**

- ➔ **Accommodation** at UAB offers adapted apartments (Vila Universitària).
- ➔ **Classrooms** adapted technological equipment studies for students with disabilities in libraries.

Fundació Autònoma Solidària

Objectives

For a more dedicated and contributive university

- ➔ We want to contribute towards building a university that works with the community and is more committed to society
- ➔ We work actively to guarantee equal opportunities in access to education, and in particular, in access to university education
- ➔ We believe in voluntary work as a tool that contributes to integrate those who are in difficult situations
- ➔ We believe in voluntary work as an opportunity to develop social skills for those who are volunteers

Fundació Autònoma Solidària

PIUNE. Disability Support Service

➔ **Examination and Assessments:** PIUNE provide specific provisions for formal and written examinations for students with disabilities and we give further details below:

- ➔ Extra time
- ➔ Rest breaks (10 minutes per hour)
- ➔ Smaller/separate room
- ➔ Alternative assessment
- ➔ Reader support
- ➔ Computer/software equipment
- ➔ Documents that don't exist in electronic form are scanned by the service (PIUNE)
- ➔ Blind students use their own equipment, and at UAB there are Jaws computers.

International Cooperation

Promote action, research and training on issues of development cooperation of the university community at UAB and promote awareness of social inequality in the world and the action transforming critical.

- ➔ **Solidarity Fund**
To support cooperation projects in Soud countries, development education activities in the context UAB and emergency campaigns
- ➔ **Advice on issues of development cooperation between universities**
- ➔ **Networking with local and international partners**
- ➔ **Training: campaigns, courses, cycles, lectures...**

Inside Campus

- ➔ **International cooperation**
The group of volunteers organise consciousness-raising actions about **social problems, fair trade, ethical banking**, etc.
- ➔ **Health**
The group of volunteers celebrate **international healthy days** (World Aids day, Non-smoking day, Women day, etc.) with consciousness-raising actions
- ➔ **Enviroment**
The group of volunteers carry out consciousness-raising actions to **promote a more sustainable and ecological campus**

Volunteering

We promote voluntary work among university students as an educational activity providing additional training in the values of solidarity, tolerance, participation and responsibility towards one's environment based on an integrated perception of learning

Voluntary programs

Outside Campus	Inside Campus
➔ Justice	➔ International Cooperation
➔ Socio-sanitary	➔ Health
➔ Educational	➔ Enviroment

Thank you very much!!

Outside Campus

- ➔ **Justice**
The volunteers collaborate in **different catalan penitentiary centers** where they are breaking the isolation of the internal persons and approach them the exterior world.
- ➔ **Socio-sanitary**
The volunteers **accompany hospitalized children and elderly people** during their stay in diverse socio-sanitary centers in Barcelona.
- ➔ **Educational**
The volunteers promote **educational workshops at primary and secondary schools** to improve the academic, emotional and social skills of children and teenagers at risk of social exclusion.
